

## TIERED PRICING

Summer Camp is one of the greatest investments you can make in the life of your child. We work hard to make camp affordable for everyone.

### WHAT IS TIERED PRICING?

Since 2018, we have offered a fee structure that will help increase the sustainability of our camping ministry, regulate fee increases, and also provide an incentive for campers and families registering for our program. Tiered Pricing helps us to:

- Continue to offer top-quality programming in a safe environment with opportunities for all God's children to experience the fun, fellowship, and adventure of summer camp!
- Strengthen the Christ-centered community that takes seriously our call to be good stewards of all our resources.
- Provide an opportunity for partnership with those who value the impact of Camp Fellowship's summer ministry by providing camperships and other financial assistance.
- Preserve Camp Fellowship for all generations

### WHY TIERED PRICING?

We recognize that families have different abilities to pay, so Camp Fellowship has instituted a voluntary three-tier fee program. You may choose the tier that is most suitable for your family.

### THE TIERS:

Tiered pricing presents families with three options when registering for camp:

- Tier 1 – "True Cost" includes facility, staffing, supplies, etc.
- Tier 2 – Direct Summer Program Costs
- Tier 3 – Subsidized Rate based on historical experience

### OUR PROMISE

- We believe all children & youth should receive the camp experience.
- We will never turn a camper away based on their ability to pay.
- All campers receive the same quality Camp Fellowship summer experience regardless of the tier chosen.
